**Website:** [www.turgutsalgin.com](http://www.turgutsalgin.com)

**Home:** Studencka 16, Katowice, 40-743 Katowice (Poland)

## ABOUT ME

I am a backend developer with nearly 2 years of experience building scalable applications using **Node.js**, **ASP.Net Core**, and **Laravel**. My solid foundation in backend development is complemented by some frontend experience, giving me a full-stack perspective. I am passionate about crafting efficient solutions and optimizing performance. Eager to contribute to innovative teams, I'm excited to apply my skills across various technologies and contribute to impactful software development.

## WORK EXPERIENCE

### Backend Developer (Intern)

**Mersin University (Remote)** [ 07/10/2020 – 09/04/2021 ]

City: Mersin | Country: Türkiye

- Developed a portfolio website and an online car rental website using Node.js.
- Gained experience in web development and project management.
- Enhanced skills in Node.js, HTML, CSS, and JavaScript.

### Backend Developer (Intern)

**Mersin University Department Of Information Technology** [ 10/06/2021 – 10/12/2021 ]

City: Mersin | Country: Türkiye

- Developed an e-commerce website for electronic devices using Asp.Net Core and HTML/CSS/JavaScript/jQuery.
- Implemented shopping cart and payment processing features, focused on clean code.
- Gained backend development experience and improved Asp.Net Core skills.

### Backend Developer

**Krmc Digital** [ 08/07/2022 – 25/05/2023 ]

City: Samsun | Country: Türkiye

- Developed a website for users to submit complaints about brands after admin approval from scratch
- Designed and implemented features like user authentication and complaint submission forms.
- Ensured coding best practices for clean code structure, efficient database design, and secure data handling.
- Collaborated with the team for successful deployment, gaining valuable backend development experience in Laravel.
- Also, I developed numerous websites based on customer demands, including a crypto payment gateway and company websites.

## Image Retrieval Research Intern

*Czestochowa University Of Technology* [ 01/06/2023 – 15/09/2023 ]

City: Czestochowa | Country: Poland

- Worked on experimental research focused on **image retrieval** using **semantic hashing** techniques, contributing to the development of more efficient image search algorithms.
- Conducted literature reviews and explored state-of-the-art methods for encoding image data into compact binary codes to improve search accuracy and speed.
- Implemented and tested various **semantic hashing algorithms** using Python and machine learning libraries, analyzing performance metrics such as retrieval accuracy and computational efficiency.

## EDUCATION AND TRAINING

---

### Computer Engineering

*Mersin University* [ 18/09/2018 – 30/06/2022 ]

Address: Ciftlikkoy Mersin University, 33100 Mersin (Türkiye)

### Computer Science (Erasmus+)

*Czestochowa University of Technology* [ 21/02/2022 – 30/06/2022 ]

Address: Generała Jana Henryka Dąbrowskiego 69, 42-201 Częstochowa, Poland, 42200 Czestochowa (Poland)

### Computer Science (Master's Degree)

*Uniwersytet Śląski w Katowicach* [ 01/04/2024 – Current ]

City: Katowice | Country: Poland

## LANGUAGE SKILLS

---

**Mother tongue(s):** Turkish

**Other language(s):**

### English

**LISTENING B2 READING B2 WRITING B2**

**SPOKEN PRODUCTION B2**

**SPOKEN INTERACTION B2**

*Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user*

## DIGITAL SKILLS

---

Node.js / Laravel / PHP / JQuery / Git / Github / Ubuntu Servers / MySQL / MongoDB / Bootstrap 5 / REST/API / ASP.NET / ASP.NET Core / SEO / HTML5 / CSS3 / JavaScript (ES6+) / TypeScript / PostgreSQL
